**Wichita Player Wins \$44,000 on 2by2 Tuesday!**

TOPEKA, KAN. – Mark Pfannenstiel of Wichita has been playing 2by2 for a while, and always made sure to buy at least a seven draw ticket just in case he won a prize on “2by2 Tuesday”, when prizes can be doubled! That decision paid off with \$22,000 top prize win that was then DOUBLED to a \$44,000 prize!

Pfannenstiel matched all four numbers in 2by2 on June 20 to win. The winning numbers in that drawing were Red 04 – 19 White 9 - 14, which is a set of numbers the winner has been using for some time now.

“It’s a combination of mine and my wife’s birthdays and some old baseball numbers,” Pfannenstiel said. “I’ve used them for a while now. They definitely my lucky numbers!”

Pfannenstiel said it was quite shocking to see his numbers were winners. It took a moment for it to sink in! “You never actually expect to win, you know? We couldn’t believe it.” he said with a laugh. “I guess it is real since I’m here claiming the prize.”

Vacation season is here, so for Pfannenstiel, he knew exactly what they were going to do with the winnings. “I think we are going to plan a family vacation for next year as a group,” he said. “Maybe Mexico or something. We just have to figure it all out!”

The winning ticket was sold at QuikTrip 394R at 928 East 61<sup>st</sup> street North in Park City. 2by2 draws seven nights a week, and tickets start at just \$1. To be eligible to win double the prize (including the jackpot) on 2by2 Tuesday, the ticket must be for at least seven draws.

Players are invited to submit all their winning and non-winning tickets in the Kansas Lottery PlayOn<sup>®</sup> Players Loyalty program to earn points for drawing entries and a chance to win cash and other prizes!
